

## THE 4-WAY TEST

Of the things we think, say or do

- Is it the TRUTH?
- Is it FAIR to all concerned?

## President's Message

There are three kinds of givers -- the FLINT, the SPONGE and the HONEYCOMB.

To get anything out of a FLINT, you must hammer it. And then you get only chips and sparks.

To get water out of a SPONGE, you must squeeze it, and the more you use pressure, the more you will get.

But the HONEYCOMB

just overflows with its own sweetness.

WHICH KIND OF GIVER ARE YOU?

Christmas is fast approaching! The air is filled with yuletide joy and cheer! The holidays bring forth lightness of heart, peace, and abundant blessings in all forms.

This Christmas season, may its spirit remind us all to share with our brothers

and sisters, in and out of the Rotary, within or outside of our family and community, not just our financial blessings but most importantly, let us not forget to give them the little things that give most happiness — smiles, kisses, embraces, time and love.

Merry Christmas and Happy New Year!

The club started with ten original members coming from various classifications including law, medicine, general contracting, sports, travel agency, in-flight service, real estate, accounting, construction, media and marketing.

The name of the club was taken from its geographic location, a building on top of what used to be a hill in Makati, the business hub of the Philippines, overlooking Ayala Avenue, now touted as the Philippines' Wall Street, with its skyline punctuated by towering edifices that enjoy the best and latest in modern architecture.

Consistent with the club's location, the club bulletin is called **THE HILLTOP**.
