President's Message

Good Morning Rotarians!

We are almost through with the year but we are still as energetic and enthusiastic as ever to promote our activities this month of October, our Vocational Service Month!

Vocational Service is one of the Four Avenues of Service that allows us to share our skills, talents and resources as leaders in our respective fields of work or business. Through Vocational Service, we are able to improve the quality of life of other people

in our community who just needs our guidance and support for them to gain the knowledge and confidence to develop a career and sustain a means of livelihood.

With the increasing number of unemployed Filipinos over the past years, Vocational Service is indeed a Rotarian virtue that we must continuously promote and uphold. In doing so, we shall be able to help more Filipinos earn a decent living, learn how to value hard work and perseverance and in the long run eliminate poverty in our country.

By means of our Vocational Service Programs, by co-hosting the Vocational Service Programs of our Rotary District 3830 and through our skills and expertise, WE CAN MAKE A DIFFERENCE! WE CAN INFLUENCE A BIG CHANGE IN THE PHILIPPINE SOCIETY.

So, to my fellow Rotarians of the Rotary Club of Makati Uptown, a fruitful Vocational Service Month to us all!

The club started with ten original members coming from various classifications including law, medicine, general contracting, sports, travel agency, in-flight service, real estate, accounting, construction, media and marketing.

The name of the club was taken from its geographic location, a building on top of what used to be a hill in Makati, the business hub of the Philippines, overlooking Ayala Avenue, now touted as the Philippines' Wall Street, with its skyline punctuated by towering edifices that enjoy the best and latest in modern architecture.

Consistent with the club's location, the club bulletin is called **THE HILLTOP**.

Makati Uptown in Action

Last October 24, 2008, Real Good President Mildred V. Vitangcol and President-Elect Florita B. Vitangcol led 17 more members of the Rotary Club of Makati Uptown in a Feeding Program at the National Bilibid Prison (NBP) in Muntinlupa.

The activity benefited around 300 prisoners of NBP. RC Makati Uptown also gave away toiletries to the NBP convicts.

In celebration of the Rotary's Vocational Service Month this October, the Rotary Club of Makati Uptown co-hosted the

Mega Skills and Jobs Fair at the TESDA Women's Activity Center in Taguig.

Rotarians Arturo Rios and Marie Ubalde led the Makati Uptown Team in this activity.
